Service Standard Policy

Introduction

The Financial Services Tribunal (the “FST”) is an expert and independent adjudicative tribunal established under the *Financial Services Tribunal Act, 2017* (the “Act”).

Section 5 of the *Adjudicative Tribunals Accountability, Governance and Appointments Act, 2009* (the “ATAGAA”) requires every adjudicative tribunal to develop a service standard policy which includes “[5(2)] a statement of the standards of service that the tribunal intends to provide and a process for making, reviewing and responding to complaints about the service provided by the tribunal.”

This Service Standard Policy (this “Policy”) applies to all members of the FST (“Members”).

FST Service Standards

The FST is committed to achieving excellence in conducting its proceedings, writing quality decisions and maintaining the highest standards in delivering its services to the public.

As part of its strategic planning approach, the FST prepares an annual Business Plan which includes, among other things, performance measures and service standards. The FST’s long-term objective is to develop a body of decisions that will provide clarity in the application of the requirements related to financial services regulation, resulting in greater confidence in the financial services sectors and the independent adjudicative process.

The FST’s [service standards](#) have been developed to meet the following commitments:

- The FST will establish and communicate to the parties to its adjudicative proceedings, identifiable standards for the services offered;
- The FST will monitor and measure the attainment of the standards applicable to the services provided; and
- The FST will provide to the parties to its adjudicative proceedings, regular reports respecting the attainment of the service standards promised.

In addition to a Business Plan, the FST prepares an Annual Report which reflects the previous years’ accomplishments, caseload and performance results.

The FST has developed [Rules of Practice and Procedure](#) for its hearings, a [Guide to Regulatory Proceedings](#), [conflict of interest guidelines](#) and various practice directions

which are accessible to the public. The FST has also adopted other internal policies for its own use.

Complaints Policy

The FST is committed to maintaining the highest standards in delivering its services to the public. The purpose of this Policy is to outline how the FST will deal with public complaints regarding the quality of its services. Please note that this Policy **will not** be used for reviewing the FST's adjudicative decisions and may not be invoked during a proceeding, other than in the sole discretion of the Chair of the FST. Otherwise, where a complaint is received during a proceeding, consideration of the complaint will be postponed until completion of the proceeding.

A. Important Information About the Complaints Policy

- To be a valid complaint within the meaning of this Policy, the complainant's concern must be related to the quality of service provided by the FST, including the conduct of FST staff, Members and the Chair, as well as the FST's adherence to its service standards.
- Dissatisfaction with a decision of the Chair or a Member of the FST during the course of a hearing (such as allowing or refusing (i) to hear testimony from a witness or (ii) the filing of a document) or with any written decision of the FST is **not the basis for a complaint** within the meaning of this Policy and will not be considered.
- A party to a proceeding disputing a decision made after a hearing or during a hearing must follow the FST's Rules of Practice and Procedure and the relevant legislation regarding any right to appeal the decision or to request a judicial review or to have the matter reconsidered.
- The FST may not accept a complaint or address repeated or continuing correspondence from a party to a proceeding if a similar complaint or similar correspondence has been answered or if the FST determines the complaint or correspondence to be frivolous, vexatious or made in bad faith.
- This Policy does not affect any right to raise a complaint with the Ombudsman of Ontario.
